WINTER 2008 NEWSLETTER

President's Letter - Comings and Goings

As we look forward to 2008 and another year of great painting and fellowship, we welcome new board member Bill Wissel and we say good by and thank you to retiring board member and past president, Mary Ann Davis. Bill brings to the board his strong support of the arts and of IPAPA. Although Bill is not a painter, he has attended many of our paintouts as well as other art events and we know he will bring a fresh outlook to the board. Mary Ann Davis leaves a legacy of hard work, enthusiasm, and wisdom which has helped make IPAPA the strong organization it is today. She gives freely of her friendship and talent and people naturally turn to her for advice. Her work on the second Painting Indiana Book was instrumental in the book's completion. Please join me in thanking Mary Ann for her years of hard work as a board member. Although she will no longer be a member of the board, Mary Ann will continue to be an advisor to our group.

We look forward to the coming year. This is our 10th year at New Harmony. George and Peggy Rapp

and the people of New Harmony are once again planning a wonderful weekend of painting. We are returning to Crawfordsville in June and travel to beautiful Lake Wawasee in July. For those of you who have expressed an interest in painting in the West Baden and French Lick area, we plan to be there in August. We end our painting season amid the beautiful colors and landscape of Brookville. In May and September we do not schedule an IPAPA event but instead encourage our members to attend the paintouts at the T.C. Steele State Memorial site in Brown County.

We are so fortunate to have the so many friends and patrons—I thank you all. It is also such a pleasure to have the support of the board and our administrative assistant, Caroline Jones.

I think we have something for everyone this year and hope you will join us for many weekends of painting and fellowship.

Corrine Hull, President IPAPA

IPAPA News.....

Welcome New Board Member

Bill Wissel is our new IPAPA board member. Bill, a CPA, has a BA from DePauw University in Economics and Business and an MBA from Indiana University in accounting. Bill took art classes at Richmond High School. Bill's wife Melanie majored in art at RHS and DePauw University, and is on the board of directors of The Hoosier Salon. Their daughter Emily and son Will both share the family interest in art.

Until a couple of years ago, Bill and Melanie were primarily collecting historic artists. They now include work, by contemporary Indiana artists, in their collection. "It has been a lot of fun getting to know and become friends with real, breathing artists. I appreciate their hard work, and quite frankly, I'm jealous of their artistic talent and ability to focus on the task at hand. People in the business world could learn a lot from artists."

Bill is honored to have been chosen to be on the board of IPAPA, and hopes he can make some positive contributions to the organization.
